

Sun Mar 5

Dear Mom & Dad,

We are taking it easy today, it is nice just not to do anything. I watched the basketball game and we walked over to the drugstore and picked up the slides Vickie took on the trip. She used my camera as I had one from work. Unfortunately one roll didn't turn out, but the ones she really wanted turned out fine.

We went to a party last night and are scheduled to go to others the next two Saturday nights. When it warms up we will have another party on a Sunday afternoon. It was partly cloudy today, but cool.

---

Next week I am going to start working a little late about two nights a week. I will stay until 6:15 and so build up compensatory time that I can take in June. We may drive out West then if everything works out okay. Say hello to Mary & Mike for us and I will write them soon.

Jim
